any other relevant documents and to furnish other information bearing upon a particular exportation. The Bureau of the Census is similarly authorized to require the production of such documents. CBP shall refuse to accept Shipper's Export Declarations containing known errors and omissions, and may require their correction, but acceptance by the CBP Director shall not be construed as evidence that all requirements have been met, and such acceptance shall not relieve the exporter of the responsibility to furnish complete and correct information at a later time if all requirements have in fact not been properly met.

§ 30.12 Time and place for presenting the SED, exemption legends or proof of filing citations.

The following conditions govern the time and place to present paper SEDs, exemption legends, or proof of filing citations. It is the duty of the USPPPI or the authorized agent to deliver the required number of copies of the SED, the exemption legends, or the proof of filing citations when the cargo is tendered to the exporting carrier. Information on items identified on the CCL of the EAR (15 CFR Supp. No. 1 to Part 774) or the USML of the ITAR (22 CFR part 121) that would otherwise require the filing of an SED, must be filed through the AES. Information for items identified on the USML, including those exported under an export license exemption, must be filed electronically prior to export, unless exempted from the SED filing requirements by the State Department. For State Department USML shipments, refer to the ITAR (22 CFR parts 120-130) for more specific requirements concerning the AES proof of filing citation and filing time. Failure of the USPPPI or the authorized agent of either the USPPPI or foreign principal party in interest to comply with these requirements constitutes a violation of the provisions of these regulations, and renders such principal party or the authorized agent subject to the penalties provided for in § 30.95 of this part.

(a) *Postal exports.* SEDs for exports of items being sent by mail, as required in § 30.1 of this part, shall be presented to
